Strengths

- A self driven learner with Front-End and Back-End knowledge. Passionate about implementing and launching new projects.
- Ready to learn new technologies/Frameworks and implement them to further improve my knowledge.
- Experienced in working on challenging projects and ability to work under pressure to prompt deadlines.
- A team player with good communication skill always ready to work for the enrichment of knowledge.
- Has working knowledge on React and Java using Spring framework on an intermediate level.

Achivement

Online Plant Nursery Application

Completed end to end case study of Online Plant Nursery Application using Spring boot and React used for user interface. It is a double-role application project i.e. Admin and User, where Admin will have the main control over the system. Admin will be responsible for maintaining the system and also, keeping a check on the availability of plants, and updating any details related to the Nursery Store. On the other hand, Users can register themselves and can do online shopping.
